The headquarters of the state commission have been removed to Bettysburg, only clerical work being

MORE VETERANS MAY GO.

District Seeks Share in Pennsylvania's Gettysburg Appropriation.

In an effort to get the benefit of a porfion of the extra \$35,000 appropriated by the State of Pennsylvania to take care of 10,000 additional civil war veterans at the anniversary of Gettysburg next week, Col. Thomas S. Hopkins, representing the District of Columbia on the Gettysburg tommission, called on Secretary Garrison if the War Department today. He resamp be made. No immediate reply was seceived from Secretary Garrison besause the War Department has not been officially advised that the state has actsally appropriated the money.

It was so stated by Representative Moore of Pennsylvania yesterday, speakng on the subject in the House of Reppesentatives, and was reaffirmed in his office today. Secretary Garrison tele- Moore of New York won another first bicycle, the detective stated, and claimed graphed to Harrisburg asking for offi- prize today at the international horse he wanted to raise money on it to give

If Col. Hopkins receives his full proporfion of the extra allotment, practically 600 Washington civil war veterans of both sides will receive identification cards from aim, which will entitle the veterans to bed and board in the camp. Only 405 can to from Washington with identification tards at present and there is a waiting ist of 100. It is to take care of the waiting list that Col. Hopkins is now busy. It is possible that many veterans who do not register with the proper authority will be disappointed at abroad that the only identification and Ratkoviatz, in Macedonia, at 1 Mr. Warner, who was sixty-six years Florence Hedges has been named chairnecessary is an army discharge or a o'clock this morning. with liberal aims and projects."

Charged to Ill-Feeling.

Many believe, however, that personal considerations largely account for the situation, principally mutual ill-feeling between Mr. Burns and Lloyd George. When the insurance proposals were con-templated it should, in the ordinary nature of things, have been the business of Mr. Burns to formulate them and carry them through the house of commons, but, instead, the task was kept in the hands of the chancellor.

Burns?" that he spoke on a public platform in defense of government policy
